Dear Sir,

**INVITATION TO THE 27TH ASIAN-PACIFIC WEED SCIENCE SOCIETY
CONFERENCE (3-6 SEPTEMBER 2019, KUCHING MALAYSIA)**

On behalf of the Malaysian Plant Protection Society (MAPPS) and Asian-Pacific Weed Science Society (APWSS), we would like to officially invite you to attend and participate in the **“27th Asian-Pacific Weed Science Society on 3-6 September 2019**. The conference will be held at Majestic Hotel Kuching, Sarawak, Malaysia.

The purpose of the 4-day conference is to bring together researchers from around the world who are interested in exploring the weed science. The theme for this year conference is **“Weed Science for Sustainable Agriculture and Environment”**. The conference will focus on topics such as weed biology, physiology and ecology, weed management in cropped areas, herbicide resistant weeds and herbicide tolerant crops, biological control of weeds, impact of climate change on crop-weed interaction and management and many more.

Should you require more information about the conference, please visit our conference website at www.apwss2019.org. You may also contact us at apwssc27@gmail.com. Thank you, and we look forward to seeing you at the conference.

Sincerely,

Assoc Prof Dr Nur Azura Adam
Secretary of the Organizing Committee
27th APWSS Conference
