Dear Prof. Zhang,

It is my great pleasure to invite you and your colleagues Dr. Xiao-Qing Xian and Dr. Yi-Bo Zhang from Institute of Plant Protection (IPP), Chinese Academy of Agriculture Sciences (CAAS), to visit us at IRTA in Cabrils (Barcelona, Spain) in from the 16th to 21st of Novermber). I am sure that during your visit we will be able to discuss the possibility to establish some collaborative research projects regarding the recently invasive pest in China, *Tuta absoluta*. We also can discuss future faculty and student exchange programs of interest for both Institutions.

If you have any questions or need further assistance do not hesitate to contact me.

Sincerely,

Dr. Cristina Castañé
